Fast Fit Entrance Hoarding

Our new fast fit entrance hoarding system now includes enhanced features to reduce installation time and increase security and safety for all.

Features include:-

- Manufactured from galvanised steel
- Assembled in 30 minutes through a simple 3-part construction design
- Entrance kick board is fixed, further improving overall strength and stability of hoarding (1)
- Dual point Euro release locking mechanism, using single key
- ERA latching cylinder lock (2)
- More robust diagonal door support struts offering increased strength and stability (3)
- Kit includes a secondary hoarding safety barrier, positioned behind the door (4)
- Door can be either left or right handed

Dimensions:

Overall Size - 1400 x 250 x 2200mm (WDH)
Door Opening - 800 x 1900mm (WH)

Order Code: **FFEH01**
