Intermediate Design

User Information

Glove care: To get the best service from your gloves ensure that after use all contaminant is removed.

Storage: store in dry conditions away from direct sunlight and heat.

You are advised to retain this packaging for reference.

Contains natural rubber latex and accelerators, which may cause allergic reactions.

Note: Should not be worn where there is a risk of entanglement with moving machinery.

Protection levels quoted apply to fully coated parts of glove only.

Warning: chlorine bleach can cause loss of strength in Kevlar® at low concentrations. Do not use in or around chlorine bleach.

Range Available: sizes and codes

Sizes	8	9	10
Code	8702	8703	8704

Kevlar is a DuPont® registered trademark
