# DAVENPORT LIFT CONTROL

3 THE BROADWAY MEWS WOODFORD GREEN ESSEX IG8 0HQ
TEL 020
85048286

To program a number in to the KCA2 .Press the program and *button simultaneously a long bleep will sound the unit is now in program mode. Enter a four digit number for example (1234) followed by the * key four short bleeps will sound. The unit has now got a security code number of 1234. Enter 1234 the LED will come alight on the back of the unit for two seconds which indicates the relay is energised for that period of time.
