

LIFT LOCK & STORE[®]

Storage Solutions for the Lift Industry!

Whatever the size of your business, PEW Lift Lock & Store can provide the right storage solution for you. Whether you require a full container, pallet storage or perhaps just a 'Drop Box' pick up point for your lift engineers, we will help you find the right solution!

- London storage facility - Just 5 miles from the Docklands and 8 miles from the City
- Multiple storage options - Drop box, large cage, pallet, container or warehouse area
- Storage to suit your budget - Only pay for the space you need
- Secure 24/7/365 Access - CCTV and ANPR monitoring, Gated Security, Key Fob Access
- Ideal for night work - Engineers have access to spares, round the clock
- Free forklifting service - At your disposal during our normal business hours
- Free package drop service - We'll put your package(s) into your chosen storage area
- Freight forwarding service - We can send your package(s) onwards for you.
